# COMMUNITY MEETING

**Re: Proposed Development at 1844 Bloor St W**

**Thursday, March 1, 2012**

**7:00 – 8:30 PM**

**Humberside Collegiate Institute  
(Lismer Auditorium)**

Dear neighbours,

At the January 10, 2012, Etobicoke York Community Council, after hearing concerns from numerous residents, I asked that the applications for 1844 Bloor Street West be referred back to staff in order to have further community consultation to address the building mass and materials.

On Thursday, March 1, I will be hosting a community meeting to provide a status update and to initiate a consultation process. Community Planning staff will provide an outline of the process, which will require the commitment of a small group of community volunteers to participate in a design working group with the proponent (The Daniels Corporation).

Planning staff will outline the process by which volunteers will be selected to participate in the design working group. It is anticipated that the working group will meet three evenings over the next two months.

(Please note that Humberside Collegiate Institute's Lismer Auditorium is accessible but it's easier to use the accessible entrance if you let us know ahead of time.)

Sincerely,

Sarah Doucette  
City Councillor  
Ward 13, Parkdale-High Park
